PLANTS READY FOR EXPERIMENTERS

DIVISION OF PLANT EXPLORATION AND INTRODUCTION
BUREAU OF PLANT INDUSTRY
U. S. DEPARTMENT OF AGRICULTURE

1935-6

Indicate plants desired by placing check marks at the left of the Plant Introduction numbers of those selected. It is to the advantage of experimenters to return the check lists promptly. The descriptive list should be kept for future reference.

These lists are for the use ONLY OF PERSONS WHO HAVE QUALIFIED AS EXPERIMENTERS with this Division and are NOT TRANSFERABLE. If you do not wish to receive and care for experimental plants this year, please return the lists in the accompanying envelope, with your name and address indicated on this page. Do not write miscellaneous notes, requests, or reports on the check lists.

The Division of Plant Exploration and Introduction reserves the right to cancel any request in whole or in part in order to place the available material most advantageously.

These check lists, with your name and address, should always be returned to Washington, D. C.

SPECIAL NOTICE

Herein are listed the plants available for experimenters this season.

Plants are sent from our introduction gardens by express, collect. Express charges should not be excessive unless a large number of plants are sent from a distant garden. If the plants are small and only one or two are requested, they will be sent by mail. Where possible, plants will be sent from the garden nearest the address given by the applicant.

Plants as a rule are shipped from the introduction gardens from December to not later than April 15. Please state in the space provided for that purpose when you will be ready to receive and properly care for the plants requested. This information will enable us to send plants to those who can care for them before the regular planting season. We have no facilities for holding plants after April 15. If more than one plant of a kind is desired for a special purpose, please indicate in the margin. Occasionally such requests can be filled.

PLEASE WRITE YOUR NAME AND ADDRESS LEGIBLY IN THE SPACES PROVIDED FOR THEM AT THE HEAD OF EACH CHECK LIST.
